Why on Payroll.ca

Outsourced Payroll

OnPayroll.ca essentially acts as your Payroll Department. OnPayroll.ca addresses compliance issues, implements best practices, performs complete reconciliations and handles all required remittances on your behalf, all for one flat fee.

Professional Employer Organization

If your company is looking to establish representation in Canada, but doesn't have an entity we act as the Employer of Record in Canada. We can hire, manage payroll and benefits for an employee who reports to your company for day to day business responsibilities.

Human Resources Administration

Whether you need to develop HR policies and procedures specific to provincial legislation or to review employment agreements and the handbook you currently have in place – OnPayroll.ca can help.

Benefits Management

Want someone else to look after tracking employees eligibility, handle enrollments, status changes & terminations? OnPayroll.ca can provide information direct to your employees and answer any questions about processing claims and coverage. Don't have a group plan or too small for one? OnPayroll.ca can set one up for you.

Employee Time Management

Better manage your workforce through labour code tracking and employee accountability with several options of collecting the data. Amazing flexibility with OnPayroll.ca's web based product allows us to build a time management system you need.

OnPayroll.ca has helped companies with payroll and personalized human resources solution for over two decades.

OnPayroll.ca can be your trusted payroll and human resources expert providing years of experience, a breadth of resources and trusted results.
